

## St George's Pre-School

### Supervisors Report September 2010.

I would like to start by welcoming everyone to the meeting and thank you for coming.

This year has been a very fast and busy one! We have seen 12 older children move into the reception year, we will miss them all and hope they enjoy the next chapter in their lives.

We start the new academic year with children on the register. We have 12 older children, three of these children are new to the Pre School and the remaining 9 were here during the last academic year. We have 7 younger children on register.

The new term has started well, all the children have all settled in beautifully and we are looking forward to spending lots more time with them.

As you are all aware we were dominated by the Ofsted visit this year, this involved hours and hours of paperwork behind the scenes and required extreme dedication from staff and committee it was a very tense time and I would like to extend my sincere thanks to everyone who was involved, we all pulled together in a professional and organised manner, which led to our brilliant result of good, with an outstanding feature for safeguarding.

Courses taken this year have been

Ali- Food Hygiene

Sharon Vickery- Food Hygiene

Myself – First Aid and Food Hygiene

Louisa- First Aid, Food Hygiene and Safeguarding children

Over the course of the next year staff members will be attending training on Managing children with life limiting conditions, Health and Safety, and various day workshops regarding SENCO and curriculum support.

We continued to build our relationship with the school by attending their church services and school events. We also spent lots of time with Miss Osborne and her children playing and getting to know each other. This provided an excellent opportunity for the children to have a smooth transition into mainstream school. Thank you to Miss Osborne for being so accommodating.

It was great to see parents coming to stay and play over the year, it is a wonderful opportunity for the children to show off their skills and have some special play times, and we hope this will continue.

I would finally like to thank Natalie Fox for chasing me with administrations and ensuring all of the jobs get done, especially our pay!!!

Thank you all for your continued support I look forward to another successful year at St Georges Pre School.

Sharron Ricketts  
Supervisor.
